

### Photography and Publicity Release Form\*

Throughout your son's career at Princeton Academy, he will be engaged in activities that we are proud to share with you, other members of our internal community and the broader external community. We often share these activities via photographs, digital images, videos, electronic media, press releases, and other promotional or publicity materials (collectively, the "Materials"), sometimes identifying students by name. Princeton Academy has exclusive and complete ownership of the Materials and all intellectual property and other rights thereto, and may use them for any purpose consistent with Princeton Academy's mission. These uses include, but are not limited to, posting and sharing on *PASHNews* (Princeton Academy's weekly newsletter), our website, our yearbook, our current and potential future social media channels, school publications and promotional materials as well as local and national media: newspapers, magazines, radio and television.

By signing this form and granting permission for the use of your son's name, likeness, image, voice and/or appearance in the Materials, on behalf of yourself and your son:

- you hereby consent to Princeton Academy's use of your son's name, likeness, image, voice and/or appearance in the Materials without any fee, compensation or other benefit to you or your son.
- you further acknowledge and agree that Princeton Academy has exclusive and complete ownership of the Materials and all intellectual property and other rights thereto, including but not limited to the right to duplicate, reproduce, broadcast and make other uses of the Materials free and clear of any claim whatever on your part.
- you further agree you and/or your son benefit from such use that you (and your son) hereby release Princeton Academy of the Sacred Heart and its employees, agents, trustees, volunteers, representatives, successors and assigns from any and all claims that arise out of, or are in any way connected with such use.

If you wish to rescind this agreement, you may do so at any time by written notice to the headmaster of Princeton Academy. On behalf of yourself and your son, you acknowledge and agree that Princeton Academy has no control of media use of images and statements that are taken of or from your son without the permission of Princeton Academy or by persons who are not employees or agents of Princeton Academy.
